For any promoter or booking agent looking for outstanding entertainment I highly recommend **Free Fallin'**, a tribute to Tom Petty & The Heartbreakers. I booked **Free Fallin'** to headline at Sterlingfest main stage concert series and found the band to be spectacular on all levels and aspects of a live band. Aside from **Free Fallin'** perfectly recreating the look and sound of Tom Petty & The Heartbreakers they were an exceptionally easy band to work with. **Free Fallin'** was clearly one of the most polished and professional bands I've had the pleasure of booking for our city festival. Without a doubt **Free Fallin'** is a high energy act that kept our audience entertained, on their feet and singing along nonstop to flawless renditions of Petty's deep catalog of hits.

Sincerely,

Mike Crimmins
