

Free Fallin uses a stage fogger and 2 strobe lights. We also have 2 lights that illuminate our banner. The fogger, strobes and banner lights will need a separate circuit unless we are able to use the circuit that the house lights use.

What you will need:
All necessary microphones
23 - XLR cables
5 - Vocal boom Mic stands
1 - HH mic stand
1 - Kick drum mic stand
4 - Short boom stand for miking guitar cabs

Minimum stage size requirement 24' X 32'

Any questions contact
